For Sale : **€ 2,500**

Description
Village life sets the scene for this field in Pigenia, a small community in the Nicosia district. The land lies close to the village church, with the everyday rhythm of the village around it and open countryside further afield.

The field covers 1,673 m² of sloping ground with an irregular outline. It falls within a residential zone, which gives it room for a home in a village setting. The land has no direct road access.

For daily needs, shops and cafés are a short drive away. When the weekend comes, the Pomos Reservoir is within a drive for a few unhurried hours by the water, an easy contrast to the pace of city or resort living.

The sale is for a 1/8 share of the field. It is a modest, honest piece of Pigenia, close to the heart of the village and its church.
