For Sale : **€ 5,000**

Description
Set in open countryside outside Alethriko, this agricultural field in Larnaca district covers 51,840 m² of regular-shaped, sloping ground. Its agricultural zoning suits farming and planting. A wind turbine belonging to the local wind farm stands within the field.

The village centre, petrol stations and the neighbouring villages of Kivisili and Tersefanou are a short drive away. The Larnaca–Limassol motorway is also a short drive away, and the Larnaca–Agia Napa motorway is a little further. This sale is for a one-twelfth share of the field. It is a regular, sloping stretch of farmland in a landscape-led setting, away from dense urban development.
