Description
For sale: a field in Vavatsinia, in the Larnaca district. It covers 3,345 m² of sloping ground with an irregular shape, in an open countryside setting away from dense development. The land has direct road access, and the village centre is a short drive away.

The neighbouring villages of Agioi Vavatsinias and Lageia are within easy driving distance, as is a petrol station, and the Nicosia–Limassol motorway can be reached by car along the main roads. This is a sloping, open piece of the Cypriot countryside on the edge of Vavatsinia.
