For Sale : **€ 6,000**

Description
A field in Kato Drys gives you 3679 m² of agricultural land in an open countryside setting in the Larnaca district. The land is irregular in shape and the ground is uneven. Its agricultural zoning makes it suited to farming or planting.

The village centre and petrol stations are a short drive away, and the neighbouring villages of Vavla and Pano Lefkara are also close by. Kato Drys belongs to the hill country of the district, and the land shares its character. This is a versatile piece of land, with space for crops or trees.
