Description
This field in Lythrodontas, Cyprus covers 7693 m² of open countryside in natural surroundings, not far from Lefkara Dam. The land is enclosed, with an irregular shape and uneven ground, and it borders government land along one side.

The village centre and petrol stations are a short drive away, as is the village of Pano Lefkara, while the Nicosia–Limassol motorway and its junctions can be reached by car. It is a sizeable, enclosed piece of the Lythrodontas countryside, set within a natural landscape.
