Description
A field for sale in Dierona, covering 22409 m² of open countryside in the Limassol District. The land is irregular in shape with a sloping surface, and trees grow within the parcel. The surrounding area has a natural, unspoilt character. The field has no direct road access.

Dierona's village centre is a short drive away, as are the neighbouring villages of Arakapas and Louvaras. Main roads and motorway junctions are a drive away, and the Limassol to Paphos motorway serves the wider region. This is a generous piece of Cypriot countryside, with trees on its sloping ground.
