Description
Set in an open countryside setting within the Larnaca district, this field in Kato Lefkara offers 4348 m² of agricultural land. The surface is smooth and even, while the outline is irregular. The land has road access, and its farming zoning makes it suited to cultivation, planting or keeping as farmland.

The neighbouring villages of Pano Lefkara and Kato Drys are a short drive away, as are petrol stations. The motorway network linking Nicosia, Limassol and Larnaca is within a reasonable drive. A versatile piece of agricultural land with a workable surface and road access.
