For Sale : **€ 4,000**

Description
This agricultural field covers 6,355 m² in the countryside of Alethriko, a village in the Larnaca district. The land has an irregular shape and a sloping surface, and it is reached by a dirt road. As agricultural land, it suits farming or planting.

The village centre, petrol stations and the neighbouring villages of Anglisides and Kivisili are all a short drive away. The Larnaca–Limassol motorway is also close by, which makes the field easy to reach from across the district. This sale is for a one-third share of the field. The land is a versatile agricultural plot in an open countryside setting near Alethriko.
