Description
This enclosed field of 4014 m² sits in a quiet rural area of Pano Lefkara, in the hills of the Larnaca district. It is an open countryside setting away from dense urban development, with the villages of Kato Lefkara, Kato Drys and Skarinou all a short drive away. The Nicosia–Limassol motorway is also within a short drive. The ground slopes and the field has an irregular shape, which follows the natural lie of the land. Its boundaries are already enclosed, giving a clearly defined piece of land in the Pano Lefkara countryside.
