of land...

For Sale : **€ 5,000**

Description
This agricultural field in Kato Drys offers 5017 m² of land in an open countryside setting in the Larnaca district. The ground slopes and the field has an irregular shape. It is reached by road access, and its agricultural zoning suits farming and planting.

The neighbouring villages of Drapeia and Parsata are a short drive away, as are petrol stations and the main roads. The Nicosia–Limassol motorway is also within easy reach, so getting to the land for regular work is simple. This is a versatile piece of farmland with a generous 5017 m² to work with.
