Description
A piece of the Cypriot countryside on sloping ground just outside Anogyra village, in the Limassol district. The field covers 8,362 m², with an irregular shape and an inclined surface set in an open, landscape-led setting away from dense urban development. The villages of Prastio Avdimou and Agios Thomas are a short drive away, and the Limassol - Paphos Motorway, a petrol station and main roads are all within a drive of the area. The land has no direct road access. It is an uncomplicated rural parcel of generous size on the Anogyra hillside.
