For Sale : **€ 19,000**

Description
A sizeable field in the Agios Therapon countryside of Limassol, covering 37459 m² of sloping ground in a landscape-led setting away from dense urban development.

The land has an irregular shape and lies outside the village itself. The village centre, a petrol station and the neighbouring villages of Kato Kivides and Pano Kivides are all a short drive away. The Limassol–Paphos Motorway is within driving distance, linking the area to the rest of the district.

This is a generous, open stretch of Agios Therapon countryside, with plenty of ground across its sloping terrain.
