

For Sale, Land, Field, Limassol, Potamitissa, 1,132m²

Tree-lined surroundings, winding nature trails and waterfall...

For Sale : **€ 20,000**

Description
Tree-lined surroundings, winding nature trails and waterfalls within easy reach set the tone for this sloping field on higher ground in Potamitissa, one of the picturesque villages of the Limassol hills. It offers a setting with a strong local identity, far removed from dense urban development.

The land covers a generous 1,132 m² in a regular shape, with a natural slope that follows the lie of the hillside. It sits on residential land and has direct road access, so the idea of a family home here starts on a sensible footing. The village centre is close by, and other charming villages lie scattered across the surrounding countryside.

Everyday needs are a short drive away, including supermarkets and shops, schools, cafés and restaurants, medical centres and pharmacies. Main roads are a drive away for trips further afield.

Above all, this is a chance to put down roots in authentic Cypriot village life, with walking trails, waterfalls and the quiet beauty of the hills all around.
