Description
A generous agricultural field in Lofou, Cyprus, set in an open countryside landscape. At 15,218 m², the land offers plenty of room for farming or planting, well away from dense urban development. The ground is irregular in shape with an uneven surface, and the parcel has no direct road access of its own.

The neighbouring villages of Agios Georgios, Monagri and Doros are a short drive away, with petrol stations nearby and the Limassol–Paphos Motorway within reach by car. This is a sizeable, versatile piece of agricultural land in the Lofou countryside.
