Description
A sizeable agricultural field of 13713 m² in Limnatis, set on sloping ground in the Limassol countryside. The land has an irregular shape and an uneven, sloping surface, and it lies in an area known for its natural surroundings. Its agricultural zoning suits farming, planting or keeping the land as a long-term rural holding. The neighbouring villages of Korfi and Apesia are a short drive away, and the Limassol–Paphos Motorway can be reached by car. This is a generous piece of Limnatis farmland in an open countryside setting.
