Olive trees already grow on this agricultural field
for sale...

For Sale : **€ 28,000**

Description
Olive trees already grow on this agricultural field for sale in Lasa, a piece of the Cypriot countryside covering 11372 m². The village centre is a short drive away, as are the neighbouring villages of Drymou and Thrinia. The Limassol – Paphos Motorway lies in the wider region.

The ground is uneven and irregular in shape, and the parcel has no direct road access. The land suits farming and planting, or caring for the olive trees already on it. This is a generous field of open agricultural land, with its olive trees in place.
