Description
For sale: a field in Agios Dimitrianos, a sizeable piece of the Cypriot countryside in the Paphos district. The land covers 26,422 m² with an even surface across its open, irregular outline, and it borders a public path along one side.

The village centre is a short drive away, as are the neighbouring villages of Psathi and Kannaviou. Main roads and the Limassol–Paphos Motorway can be reached by car. The setting is open countryside, away from dense development. This is a generous, level parcel of rural land close to the village of Agios Dimitrianos.
