For Sale : **€ 18,000**

Description
Quiet village streets, beautiful natural surroundings and cafés within an easy stroll: this residential field in Arsos offers a setting rooted in authentic Cypriot village life. It sits in a peaceful corner of the community, a short way from the village centre, where the pace is slower and the landscape takes the lead. The land has direct road access, and its residential zoning makes it a natural place to picture a home of your own, surrounded by greenery and fresh village air. Everyday needs are well covered. A supermarket, schools and a public service office are a short drive away, as are the neighbouring villages of Vasa Koilaniou and Praitori. Arminou Reservoir is also close at hand for weekend walks, and the wider region leads to Kykkos Monastery and, further on, the Limassol–Paphos Motorway. This sale is for a two-fifths share of the land. What stays with you is the setting: a quiet countryside retreat with a real village around it and nature on every side.
