For Sale : **€ 18,000**

Description
Village life sets the tone in Dora, where this residential field of 5,017 m² sits within reach of the everyday. Parks and green spaces are within walking distance, and the village centre is only a short drive away.

The land has an irregular shape and a sloping surface. It runs along a public road on one of its boundaries, so it has direct road access. Its residential zoning gives it room for a home in a setting shaped by the village around it.

Picture a home that settles into the slope, with village life close by and green space within an easy walk. It is a setting with character and a closer connection to nature, close to the village heart. The sale is for a 1/5 share of the field.

Honest land in a village setting, with a residential future and a road on its edge, is well worth a visit.
