Description
A generous agricultural field of 14,047 m² in the Paphos hill community of Statos-Agios Fotios, set in open countryside away from dense development. The land has an irregular shape and a sloping surface, and it is reached by an existing road. Its agricultural zoning makes it suited to farming or planting. The village centre and neighbouring Lapithiou are a short drive away, and the main roads and the Limassol–Paphos Motorway are within the wider region. A sizeable piece of agricultural land in the Statos-Agios Fotios countryside.
