Description
A well-proportioned agricultural field of 16389 m² in the hill village of Pachna, in the Limassol countryside. The land is rectangular with a slightly sloping surface. Its regular shape suits planting or cultivation, and it is reached by a dirt road. The surroundings are open countryside with an attractive natural environment.

The village centre is a short drive away, as are the neighbouring villages of Agios Amvrosios and Agios Therapon and a petrol station. The Limassol–Paphos Motorway is within a drive. This is a sizeable, evenly shaped field on agricultural land in Pachna.
