Description
Covering 10,368 m², this agricultural field in Pachna is a generous piece of the Cypriot countryside in Limassol District. The ground slopes across the plot, and the land has direct road access, which makes it easy to reach and work. The setting is open and natural, away from dense development. Pachna village is a short drive away, as are neighbouring Kissousa and Malia. Main roads and the Limassol - Paphos Motorway are within driving distance. This is a sizeable, open field with direct road access, suited to farming or planting.
