For Sale : **€ 16,000**

Description
Parks and green spaces lie right beside this level residential plot in Agios Spyridon, Limassol, a well-established neighbourhood where daily life runs on foot. Restaurants and cafés, supermarkets and shops, schools and public service offices are all within walking distance, giving the area a convenient, lived-in city feel.

The land is flat and neatly rectangular, with direct road access, and sits on residential land in a setting shaped by homes and family routines. An old single-storey house stands on the plot and has no value of its own.

Getting around is simple. Main roads, bus stations and motorway junctions are a short drive away, as is the Nicos Solomonides Arena, so the rest of Limassol and beyond is easy to reach. This sale is for a one-eighth share of the plot.

A level residential plot that pairs green space on one side with urban convenience all around.
