Description
This agricultural field covers 5686 m² of countryside in Pelendri, in Limassol district. The ground slopes and the field has an irregular shape. It is reached along an access road.

The Pelendri village centre and petrol stations are a short drive away, as are the neighbouring villages of Amiantos, Saittas and Moniatis. The main roads are a little further on. The field sits in an open rural setting away from dense urban development.

This is a versatile piece of agricultural land, sized for planting or for adding to a wider rural holding.
