Description
A sloping field on rising ground in Pachna, offering 9,867 m² of agricultural land for planting or farming. Its irregular outline follows the natural lie of the land, and a dirt track gives access to the field. The village of Pachna is a short drive away, as are Agios Amvrosios and Pano Kivides, with a petrol station close by. The Limassol–Paphos Motorway is within a drive. This field sits in an open countryside setting. It is a versatile piece of agricultural land of almost one hectare on the slopes around Pachna.
