Description
Within walking distance of Pachna village, this agricultural field of 7693 m² sits on rising, sloping ground in an open countryside setting. It is a practical listing for anyone looking at farmland or planting land in this part of the Limassol hills. The plot is almost rectangular, which makes it a simple area to plan and work. It has no direct road access. The village and its amenities are close by, Kissousa and Agios Amvrosios are a short drive away, and the Limassol–Paphos Motorway can be reached by car. This is a well-proportioned piece of agricultural land on the edge of Pachna.
