Description
Set on rising ground in Agios Therapon, this agricultural field covers 11037 m² of open countryside. The land slopes gently across an irregular shape, in a landscape-led setting away from dense urban development.

Zoned for agricultural use, it lends itself to farming or planting. The village centre is a short drive away, as are neighbouring Agios Amvrosios and Pano Kivides and a petrol station, with the Limassol–Paphos Motorway within a drive. This is a versatile piece of farmland in the Agios Therapon countryside, with generous space to work.
