Description
Set in open countryside within the Lemona community of the Paphos district, this field covers 11,372 m² of agricultural land. The ground is irregular in shape and sloping, and the land has direct road access, which makes it easy to reach for farming or planting.

The village centre is a short drive away, as are the neighbouring villages of Faleia and Choulou. Main roads and the Limassol–Paphos Motorway are within a drive.

This is a sizeable piece of agricultural land in Lemona, with road access and room to cultivate.
