Description
In the community of Pano Archimandrita, in the Paphos District, lies a large field of 26,088 m². The ground slopes and the plot has an irregular shape. Kato Arkhimandrita and Alectora are among the neighbouring villages, and the village centre of Pano Archimandrita is a short drive away.

The field has no direct road access. It also lies within a protection zone. It is a sizeable holding of sloping land in the Pano Archimandrita area.
