Description
A field in Kato Drys offering 2007 m² of open agricultural land in the Larnaca countryside. The ground has an irregular shape and a sloping surface, and the field has road access. Its agricultural zoning suits farming or planting.

The village centre is a short drive away, as are the neighbouring villages of Kato Lefkara and Choirokoitia, with petrol stations and main roads close by. The Nicosia–Limassol motorway is also a short drive away, connecting the field to the rest of the district. This is a versatile piece of agricultural land in an open countryside setting near Kato Drys.
