Description
Vines already grow on this agricultural field in Polemi, a farming village in the Paphos district. The ground is fertile and can be cultivated, offering 5742 m² of open countryside to tend the existing vineyard or plant afresh. The field has no direct road access of its own. The village centre and local petrol stations are a short drive away, and the neighbouring villages of Stroumpi and Letymvou are close by. The Limassol–Paphos motorway is also within a drive. This is a versatile piece of fertile land in Polemi, with vineyards already in the ground.
