Description
Set on inclined, rising ground in the Kedares countryside, this field of 18061 m² is a generous stretch of agricultural land in an open rural setting away from dense development. As farmland, it suits farming and planting.

The neighbouring villages of Kidasi, Salamiou and Mesana are a short drive away, and the Limassol–Paphos motorway lies in the wider region. The land has an irregular shape and no direct road access. It is a sizeable, uncomplicated piece of Kedares farmland on sloping ground.
