Description
Agricultural land in Pachna, Limassol: a field of 10,703 m² in an open countryside setting, well away from dense urban development. The ground is sloping and irregular in shape, and its agricultural zoning suits farming or planting. The field has no direct road access.

The villages of Pachna, Agios Amvrosios and Agios Therapon are each a short drive away, with a petrol station close by. The Limassol – Paphos Motorway and other main roads are within a drive. This is a generous, versatile piece of Cypriot farmland of more than a hectare.
