Description
In the countryside of Milia, a short drive from the village centre, this agricultural field covers 8,362 m² of sloping ground. It has direct road access, with a public road running along one of its boundaries.

Most of the land lies in an agricultural zone, suited to farming or planting. Part of it falls within a protection zone. The neighbouring villages of Thrinia and Agios Dimitrianos are a short drive away. Main roads are a drive away, and the Limassol–Paphos Motorway serves the wider region.

A sizeable, regularly shaped field set in Milia's farmland.
