For Sale : **€ 25,000**

Description
An agricultural field of 11,372 m² in the countryside of Choletria, a short drive from the village centre and from neighbouring Foinikas. The land is zoned for agriculture and suits farming or planting, in an open rural setting away from dense development.

The ground is uneven and the plot has an irregular shape. It has no direct road access of its own, though a public road lies a short distance away. Petrol stations are a short drive away, and the Limassol–Paphos motorway is within a drive.

This is a generous and versatile piece of agricultural land in the Choletria area of Paphos.
