Description
Set on gently rising ground in an open countryside setting, this field in Palaiomylos brings together two neighbouring parcels offered as a single holding of 11697 m². The land has an irregular shape and an inclined surface, and it sits a short drive from the village centre, with Agios Dimitrios and Lemithou also close by. A petrol station is within easy reach, and the main roads are a drive away. The land has no direct road access. It is a sizeable piece of the Cypriot countryside on sloping ground, held as one generous unit.
