For Sale : **€ 11,000**

Description
Village life sits right on the doorstep of this field for sale in Pachna, a Limassol hill community with a strong local identity. The land lies next to the village itself, so everyday life is never far away. Schools, cafés, restaurants and green spaces are a short drive from here, and neighbouring villages such as Agios Amvrosios and Kissousa are close by too.

The ground is smooth and gently workable, and the field has direct road access. It is zoned for residential use, so a home here would sit naturally within authentic village surroundings rather than dense urban development. The Limassol - Paphos Motorway is within a drive, and the Castle of Kolossi is in the wider region for days out.

This sale is for a share of the field. What it offers is an uncomplicated foothold in Pachna, where a slower pace and a close-knit community remain part of daily life.
