Description
A generous field of 12,541 m² in the open countryside of Pano Kivides, in the Limassol hills. The land is irregular in shape, and its uneven surface follows the natural lie of the ground. Pano Kivides and the villages of Sotira and Souni-Zanakia are all a short drive away, and the Limassol - Paphos Motorway is close by. A petrol station is also within easy reach. This sizeable field gives a broad piece of Cypriot countryside within a short drive of the motorway.
