For Sale : **€ 23,000**

**Description**
A versatile piece of agricultural land on the sloping countryside around Pegeia, in the Paphos district, covering 5686 m². The field has an irregular shape and an inclined surface, and as agricultural land it lends itself to farming or planting. It lies within the village area, with Kathikas, Akoursos and petrol stations a short drive away, and the main roads and the Limassol–Paphos Motorway within reach by car. The land has no direct road access. This is a generous stretch of open farmland on rising ground in an open countryside setting.
