Description
A generous agricultural field of 6,857 m² on sloping ground in Pelendri, set in an open countryside setting away from dense urban development. The land is zoned for agricultural use, which makes it suited to planting or farming, and it borders a pathway along one side.

The village centre and petrol stations are a short drive away, as are the neighbouring villages of Kato Mylos and Potamitissa, and the main roads are within a drive. This is a versatile, uncomplicated piece of Pelendri countryside with ample room to cultivate.
