For Sale : **€ 15,000**

Description
A sizeable field for sale in Malia, set in an open countryside setting within the Limassol district. The land extends to 16054 m², with an irregular shape and a sloping surface that follows the natural lie of the ground. It has no direct road access.

The villages of Dora, Gerovasa and Pachna are each a short drive away, and the surrounding area keeps its rural character, well away from dense urban development. This is a generous piece of the Cypriot countryside on the edge of the Malia community lands.
