For Sale : **€ 14,000**

Description
Open countryside around the village of Palodeia frames this agricultural field for sale, with Pano Polemidia and Paramytha close by. The Polemidia dam lies nearby, and the village centre, petrol stations and main roads are all a short drive away. The land has an irregular shape and a sloping surface, and it sits in a landscape-led setting away from dense urban development. It has no direct road access. This sale is for a share of the land. It is a straightforward piece of the Cypriot countryside in the Palodeia area.
