Description
Two adjoining fields in Vasa Koilaniou are offered together as one agricultural holding of 9,031 m². The land lies on sloping ground with an irregular outline, in an open countryside setting a short drive from the village centre. The neighbouring villages of Arsos and Omodos are also a short drive away, and the Limassol - Paphos Motorway lies in the wider region. The fields have no direct road access of their own. With agricultural zoning, this is a versatile piece of land for farming or planting. Together, the two fields form a sizeable and straightforward piece of agricultural land.
