Description
A generous field of 17057 m² in the hill community of Palaichori Oreinis, set in an open countryside landscape away from dense urban development. The village centre is a short drive away, as are the neighbouring villages of Palaichori Morfou and Apliki. The land has an irregular shape and a sloping surface, and it has no direct road access. It sits within a protected countryside zone. This is a sizeable, uncomplicated piece of rural land in the Nicosia hills.
