Description
This agricultural field for sale in Pissouri sits in an open countryside setting, a short drive from the village centre and its petrol stations. The Limassol–Paphos Motorway is also a short drive away, and the villages of Alectora and Platanisteia lie a drive further on. The field covers 19399 m² and has a regular shape with an uneven surface. Its agricultural zoning suits farming and planting, making it a versatile piece of land within one of Limassol's best-known communities. This sale is for a half share of the field. It is a regular, open parcel of farmland within the Pissouri community.
