Description
In the village of Gerasa in the Limassol district, this agricultural field covers 7,655 m² of sloping ground. It has an irregular shape and fronts a public road along one boundary, which gives it direct road access.

The land is zoned for agriculture and suits farming or planting. The village centre is a short drive away, as are the neighbouring villages of Apsiou and Apesia, and the Limassol–Paphos Motorway is within a drive. This is a sizeable, sloping field with its own frontage onto a public road.
