For Sale : **€ 13,000**

Description
A 6857 m² agricultural field in the hill village of Pachna, set among the farmland of the Limassol countryside. The land is almost rectangular in shape with an uneven surface, and its agricultural zoning suits planting or cultivation.

The neighbouring villages of Dora and Kissousa are a short drive away, and the Limassol–Paphos Motorway can be reached by car for travel across the district. The surroundings of Pachna remain rural, away from dense urban development. This is a well-proportioned agricultural plot in an open countryside setting.
