For Sale : **€ 13,000**

Description
This is 3456 m² of agricultural land in Silikou, in the Limassol district, set in open countryside away from dense development. The village centre is a short drive away, as are the neighbouring villages of Kouka and Trimiklini and the nearest petrol stations. The Limassol–Paphos Motorway lies within the wider region.

The field has an irregular shape and uneven ground, and it has no direct road access of its own. Its agricultural zoning suits farming or planting. It is a versatile piece of farmland in the Silikou countryside.
