For Sale : **€ 13,000**

**Description**
Sloping farmland of 26,757 m² in Lofou, a short drive from the village centre and from the neighbouring villages of Kato Kivides and Agios Georgios. The ground falls away across the plot, which has an irregular shape.

About half of the land lies in an agricultural zone, where farming and planting are the general use. The other half falls within a protection zone. The land has no direct road access. A large, sloping holding in the Lofou area, with agricultural ground across about half its extent.
