Description
In the countryside of Drymou, in the Paphos district, lies a sizeable agricultural field of 29,098 m² on sloping ground with an irregular shape. Most of the land is zoned for agriculture and suits farming or planting, while part of it falls within a protection zone. High-voltage power cables cross the land. The field has no direct road access.

The centre of Drymou is a short drive away, as are the neighbouring villages of Giolou and Theletra. The sale is for a 1/2 share of the field. It is a large, sloping piece of farmland in the Drymou area.
